

# PAPER REUSING SYSTEM

## — A New Work Style —

Improved work efficiency — more economical use of paper and digitization

A new way of working — more environmentally friendly, more efficient, and more economical

- e-STUDIO306LP Advantages**
- 30 sheets/min. high-speed output
  - Sharp, attractive fine print and lines
  - Repeated erasing does not affect print quality

- e-STUDIO RD30 Advantages**
- 30 sheets/min. single pass, double sided erasing
  - Complete, convenient erasing
  - Clean erasing, even after multiple reuse (Average reuse 5+ times)
  - All processes completed just by pressing a button

**Ecology**

Using single sheet of paper 5 times = about 50% less CO<sub>2</sub>

**Efficiency**

Digitizing, erasing, and sorting at a press of a button

**Economy**

Reduced paper consumption = less time spent reordering, less expensive disposal, and less storage space
