Notes to Quarterly Consolidated Financial Statement

(Changes in Accounting Policies)

(Application of IFRS 16 "Leases" and ASU 2016-02 "Leases")

The Company's overseas consolidated subsidiaries have applied IFRS 16 "Leases" and ASU 2016-02 "Leases" from the first quarter of the fiscal year ending March 31, 2020.

Under this standard, the lessee should in principle recognize assets and liabilities arising from all leases.

In applying IFRS 16 "Leases" and ASU 2016-02 "Leases" the Company has adopted a method that recognizes the cumulative effect of applying this standard on the effective date of application as a transitional measure as of the beginning of the first quarter of the fiscal year ending March 31, 2020.

As a result, as of the beginning of the first quarter of the fiscal year ending March31, 2020, mainly leased assets increased by 18,680 million yen, lease obligations in current liabilities increased by 4,495 million yen, lease obligations in non-current liabilities increased by 14,230 million yen, and retained earnings decreased by 44 million yen.

The impact of the application of said accounting standard on profit and loss for the third quarter of the fiscal year under review was insignificant.
